

Auxey-Duresses

Red wine / Pinot Noir

The Vine

This cuvée results from the blending of three parcels, all with a strong limestone dominance.

Tasting

This wine releases aromas of very ripe red fruits and violets.

Service

Served at 15-16°C, this wine will fully express itself. You can drink it from its second year in the bottle and up to 6-7 years of age.

Food and wine pairing

Recipes from the Burgundy region suit it very well, such as beef bourguignon.
