Bourgogne Chardonnay

White wine / Chardonnay

The Vine

The nature of the soil is marly limestone. These are deep white soils from which the Chardonnay vineyards will search very deep to express a beautiful complexity for a regional appellation.

Tasting

Clear and brilliant, with a beautiful pale gold color. The nose releases aromas of white fruits and a touch of vanilla. Both lively and aromatic, its fruit remains round and persistent on the finish.

Service

To drink young during the first 3 years in the bottle during which it offers all its aromas and freshness. Serving temperature: 10 to 12°C

Food ans wine pairing

It can be appreciated on its own, as an aperitif, as an accompaniment to cold terrines or even with shellfish and seafood.
